Dear Eric:

Here is my copy of the
Vasea sale catalog, containing
my notations on the lots. Also
my bid card with the lots I
received. About half the
lots I wanted but didn't get, went
to Ron Horstman. The rest mostly
went to a fellow in the back row
whom I didn't know. Wasn't able to
find out who he was.
Please return when you've finished. BWS

Dear Bruce:

Thank you for your October 15, 1983 communication as to the items you purchased at the Vacca Sale. I had more or less figured out a good part of it from the pictures which you forwarded. I am returning your catalog under separate cover and notations herewith so that you will have them on hand and have made an excerpt.

I would gladly buy the items which would fit into my collection, but prefer not to get involved with any of the duplicates. Do you want me to discuss the matter of the duplicates with Ron Horstman or with anyone else, or would you prefer to do that?

Thank you very much for your prompt cooperation.

Sincerely,

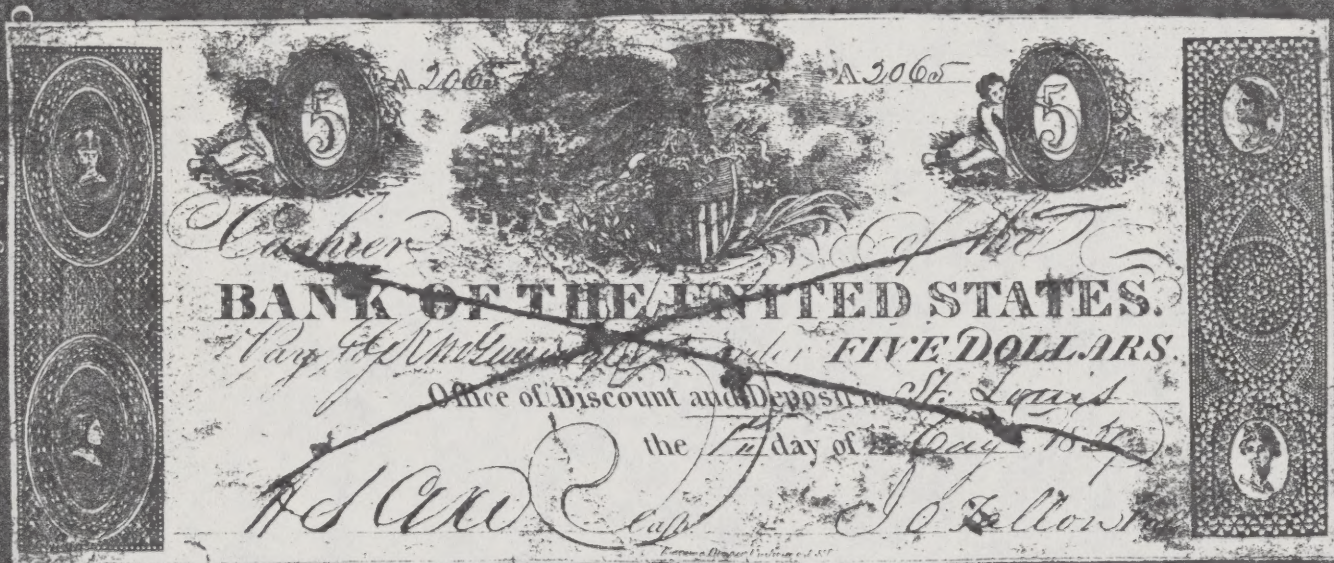

Eric P. Newman
